## MONROE & RANDOLPH COUNTIES

### SCHOOL DIRECTORY

2017–2018

I am pleased to present you with our latest edition of the school directory for Monroe and Randolph counties. I believe you will find it a useful resource.

No one would disagree that education is critical for our success as a community, state and nation. With such a foundational system for society it is not surprising that we have seen so much work on “How we measure up?”

There is no lack of measures, be it a child’s report card, school and district report cards, standardized student assessments, surveys, performance and student growth teacher evaluations to the new Kindergarten Individual Development Survey. We use all these data to help us and our organizations improve, but what we do not measure is how much our educators give of themselves for others. For the past five years we have all worked

hard to reach all learners and those who support them. We are amazed at the expanding needs of our students but equally amazed at the services that our schools provide in collaboration with other community organizations. This directory does not simply represent a collection of individuals who work in schools. This resource represents the connected people and groups who choose to support education and who have made education a lifestyle choice and not just a job. I am proud to serve our communities and dedicated educators who strive to provide an educational experience unmatched in Illinois.

May each of you have a successful year in providing quality education to our students in Monroe and Randolph counties. If we can assist you in any way, please give us a call at either the Waterloo office 939-5650 or the Chester office 826-5471.

A handwritten signature in black ink that reads "Kelton Davis". The signature is written in a cursive style.

---

HONORABLE KELTON DAVIS, REGIONAL SUPERINTENDENT OF SCHOOLS

The information contained herein has been assembled & is being presented by the Regional Office of Education as a service to the people of Monroe & Randolph counties.

The Boards of County Commissioners of Monroe & Randolph counties, by their cooperation, have made the distribution of this publication possible.

We sincerely hope that you will find this directory a useful & valuable reference.
